Rhythm of Nature

ABOUT US

At L'acrose, we are inspired by nature and naturalness, and we are working towards our vision through all of our processes so that we can capture the "Rhythm of Nature." Our mission is to introduce the beauty and purity that nature has to offer. Using natural herbal essences, natural oils, and natural raw materials, we want each consumer to have access to this naturalness they they deserve. The demands and expectations of our consumers are more important to us than anything else. In order to understand our consumers, we have set the principle of listening to our consumers from the beginning, and being the big L'acrose family that we are now, we continue our journey towards becoming a world brand.

L'acrose is committed to bringing accessible luxury to consumers across the world by making our products available to everyone without compromising quality, scientificity, and innovation. We operate in 87 countries through our group companies, listen to consumers, and realize ground-breaking projects in many sectors. We are proud to take this global experience one step further with L'acrose, taking nature as our driving force.

FACTOR 5 HAIR CARE SHAMPOO

400 ML

Radically acts to the hair with a natural source of estrogen black cohosh extract and combat hair loss. Nettle and garlic extract helps to prevent hair loss and micro-circulation against the risk of spillage. It supports new hair formation by helping the hair to regenerate. It creates healthy and balanced hair. Relaxes and balances hair. Licorice root creates a bright, smooth and resistant hair with a core extract. Thanks to its anti-dandruff active, it helps you get rid of whole hair. With vitamins B5 and B3, your hair absorbs moisture need and strengthens your hair by promoting the regeneration of your hair to restore your hair to its former health.

Contentents: Laurel leaf oil, panthenol (Vitamin B5), nettle extract, black cohosh root extract, licorice root extract, garlic bulb extract.

Result: Nourishing and Refreshing

Skin Type: For All Hair Types

Usage: Apply some amount of shampoo on wet hair while massaging. Rinse with abundant water after waiting for 2-3 minutes. Perform this operation 2-3 times during every wash.

GARLIC & GINSENG SHAMPOO

400 ML

It nourishes the hair, roots the hair deeply, to help strengthen the cells and help them grow faster. Solves the problem of hair loss. It allows your weak hair to thicken and gain volume. Research shows that the greased hair is increasingly tender and eventually pitted. Another effect of the garlic and ginseng shampoo is the oil balance in the hair. It is suitable for daily use for all hair types.

Contentents: Calendula officinalis (Marigold) extract, panax ginseng extract, Allium sativum (Garlic) bulb extract, perfume.

Result: Nourishes Hair Roots

Skin Type: For All Hair Types

Usage: Apply some amount of shampoo on wet hair while massaging. Rinse with abundant water after waiting for 2-3 minutes. Perform this operation 2-3 times during every wash.

Lacrose

HAIR CARE

ARGAN OIL SHAMPOO

400 ML

Argan oil helps to regain its strength in content and protects the hair against external factors. The high amount of vitamin E contained in it is a powerful antioxidant. It helps to nourish your hair root with its powerful E vitamins effect. It accelerates blood circulation and helps to make your hair healthier and alive. It moisturizes, nourishes and revitalizes the dry, weak hair, which is the delicate oil that determines the need for hair and offers a treatment accordingly. The hair rearranges the moisture balance, and your hair adds shine, suppleness and power. It is suitable for all hair types. Relaxes and balances hair. The hair becomes stronger and more durable.

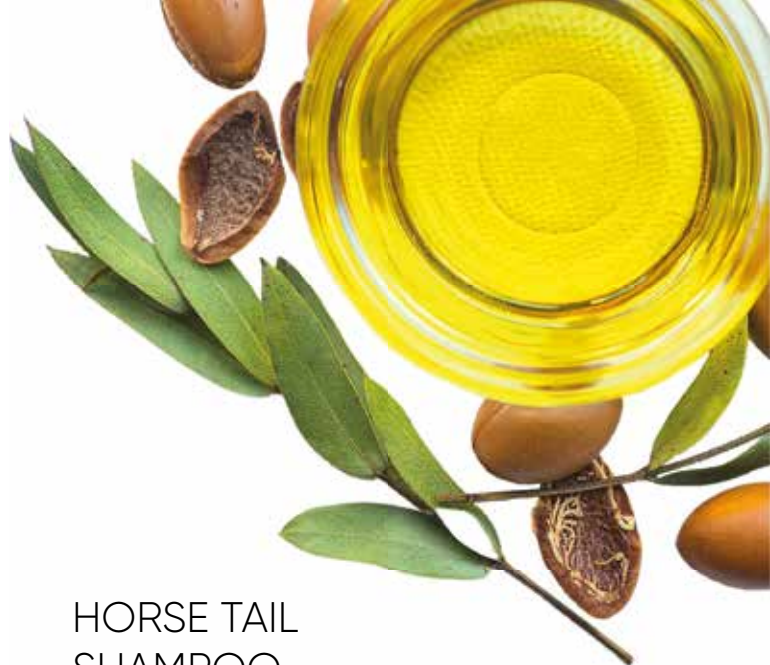

Contentents: Argan Oil, Vitamin E

Result: Shiny, Supple, Strong Hair

Skin Type: For Dry And Lifeless Hair

Usage: Apply some amount of shampoo on wet hair while massaging. Rinse with abundant water after waiting for 2-3 minutes. Perform this operation 2-3 times during every wash.

HORSE TAIL SHAMPOO

400 ML

The horse tail enhances the blood circulation of the deep-rooted hair, thereby increasing the nutrient intake of the hair and allowing the hair to stretch faster. It strengthens the hair by covering the surface of the hair with its collagen and hyaluronate, and it helps to gain volume of your dull and voluminous hair. Specially designed for greasy, thin and normal hair types. Keeps your hair clean for a long time. If you wash your hair every day because of greasy, when you use this shampoo, you do not need it, the washing frequency goes up to 2-3 days, it does not allow hair loss and breakage because it strengthens the hair.

Contentents: Equisetum Arvense (Horse tail) Extract, Kolajen, Hyaluronate

Result: Strengthens Hair

Skin Type: For All Hair Types

Usage: Apply some amount of shampoo on wet hair while massaging. Rinse with abundant water after waiting for 2-3 minutes. Perform this operation 2-3 times during every wash.

Lacrose

HAIR CARE

KERATIN PROTEIN SHAMPOO

400 ML

Hair is a combination of keratin and sulfur bonds. It treats intense keratin for damaged and weakened hair. The Keratin-enriched formula provides deep cleansing and care while adding worn-out strength. By regulating the rate at which hair keratin lost time it helps to be more healthy. It repairs weakened and damaged hair strands. The protective shield around the hair helps the hair to be more resistant to external factors. It creates more durable, soft, strong, well-maintained hair against fractures. It is suitable for daily use for colored hairs.

Contentents: Hydrolyzed Keratin

Result: Anti Weak and Damaged Hair

EYE CONTOUR SERUM

30 ML

It is used for dark circles under the eyes, under-eye bags, wrinkles and sagging around the eyes. Plant extracts in its content help reduce lines around the eyes. It helps to remove dark circles under the eyes by regulating blood circulation. Provides you to get rid of under-eye bags with its firming effect.

Contentents: Dimethyl MEA, Collagen, Vitamin B3, Arginine, Alpha-arbutin, Vitamin C, Sodium hyaluronate, Caviar extract

Result: Nourishes & Moisturizes Healty, Bright, Vibrant Skin

Skin Type: For All Skin Types

Usage: Apply your desired skin region.

HYALURONIC SERUM

30 ML

It can be used for problems such as lack of moisture, wrinkle due to lack of moisture, loss of fullness and elasticity of the skin that has lost moisture. Hyaluronic acid has a water-holding capacity of one thousand times its volume under the skin. With this feature, it saturates the skin with moisture. It helps to remove the lines due to lack of moisture, to repair the subcutaneous tissue and to provide the fullness of the skin. Supports skin surface to be smooth, healthy and shining.

Contentents: Sodium PCA, Sodium hyaluronate

Result: Nourishes & Moisturizes Healty, Bright, Vibrant Skin

Skin Type: For All Skin Types

Usage: Apply your desired skin region.

Lacrose

SERUMS

PEPTIT SERUM

30 ML

Prevents the formation of fine lines and wrinkles. Moisturizes your skin, revitalizes and makes it shine with a smooth and wrinkle-free appearance with its anti-wrinkle effect, and supports the skin's self-renewal system. It should be used on the skin whose wrinkles and expression lines become significant. Anti-wrinkle serum provides the anti-aging treatment your skin needs with collagen, arginine, hyaluronic acid, caviar extract, and peptides.

Contentents: Collagen, Arginine, Acetyl Hexapeptide-8, Sodium Hyaluronate, Caviar Extract

Result: Nourishes & Moisturizes Healty, Bright, Vibrant Skin

Skin Type: For All Skin Types

Usage: Apply your desired skin region.

BRIGHTENING SPOT SERUM

30 ML

Dark spots and freckles may form due to factors such as hormones, aging and environmental factors such as sun. As a result of the stimulation of melanin production by these causes, some parts of the skin become darker than other parts and these spots become darker day by day. It helps prevent discoloration of the skin by suppressing melanin production with the actives in its content.

Contentents: Niacinamide (Vitamin B3), Alpha-Arbutin

Result: Nourishes & Moisturizes Healty, Bright, Vibrant Skin

Skin Type: For All Skin Types

Usage: Apply your desired skin region.

Lacrose

SERUMS

POWER SMOOTH SERUM

30 ML

It is used on skin with problems such as skin sagging, dark spots, wrinkles, excess oil and acne, and enlarged pores. It is a serum enriched with DMAE, Collagen, Arginine, Caviar Extract and Vitamin C actives in its content. The cocktail produced by the combination of these agents has a very strong antioxidant effect. Corrects color unevenness on the skin surface. Improves acned skin with its sebum regulator feature.

Contentents: Dimethyl MEA, Collagen, Vitamin B3, Arginine, Alpha-arbutin, Vitamin C, Sodium hyaluronate, Caviar extract

Result: Nourishes & Moisturizes Healty, Bright, Vibrant Skin

Skin Type: For All Skin Types

Usage: Apply your desired skin region.

PORE CLEANER SERUM

30 ML

The peeling factor that removes blackheads and dirt, the highly acidic formula, provides removal of oil secretion, cleans around the oily problem area, removes the top dead layer and removes dead cells.

Contentents: Lactic acid, Salicylic acid

Result: Nourishes & Moisturizes Healty, Bright, Vibrant Skin

Skin Type: For All Skin Types

Usage: After the appropriate cleaning process is applied to the skin, it is applied to the areas with clogged pores with the help of a brush, steam is given for 5-8 minutes. It is rinsed with lukewarm water. Afterwards, the pores are cleaned with vacuum, scrubber or hand tightening methods.

Lacrose

SERUMS

VITAMIN C SERUM

30 ML

It can be used on pale and dull skin with thin lines, wrinkles, spots caused by sun damage, lack of moisture, elasticity problem, and due to irregular sleep, alcohol consumption and smoking. Since its antioxidant value is high, it protects the skin against harmful effects and perfectly balances the skin tone. Increases the elasticity of the skin and provides a clearer glittering skin appearance. Provides an increase in collagen production. Protects skin against harmful effects of sun.

Contentents: 3-O-Ethyl Ascorbic Acid (Vitamin C), Glycerin, Niacinamide

Result: Nourishes & Moisturizes Healty, Bright, Vibrant Skin

Skin Type: For All Skin Type

Usage: Apply your desired skin region.

VITAMIN E SERUM

30 ML

SKIN CARE

WHITENING CREAM

75 ML

Arbutin is a natural actor, usually obtained from mature leaves of plants such as bear grape (uva ursi), winter hyacinth, pear and mulberry tree, and is used as a lightening agent on the skin. By inhibiting excess melanin in the skin, it quickly reduces color separation (8-12 weeks). It is one of the active agents in the treatment of stain or hyperpigmentation. It combines with enzymes immediately after application to prevent oxidation of excess tyrosine. It has also been clinically proven to be effective in UV-induced pigmentation. Licorice roots and henna henna plant extracts increase the effect of the product with its natural whitening effect.

Contentents: Glycyrrhiza glabra (Licorice) root extract, Cinchona succirubra (Peruvian) bark extract, Butyrospermum parkii (Shea butter), Alpha Arbutin

Result: Selective White Formula, Moisturising

Skin Type: For All Skin Types

Usage: Morning and evening after clean the body area, apply the cream with circular motion until it is completely absorbed by the skin.

SULPHUR CREAM

100 ML

Sulfur has an important role in the treatment of acne, thanks to its antibacterial and antifungal effects. Regulates the amount of oil in the skin. It helps prevent acne problems at any age. With its herbal glycerin content, it moisturizes your skin and provides a beautiful, smooth appearance.

Contentents: Sulphur

Result: Smooth Skin

Skin Type: For All Skin Types

Usage: Apply once a day only as a single point on the acne. Wait 12 hours. Regular use is recommended to achieve good results.
